NORTH CENTRAL REGION SUMMARY  
BY STATES AND CROP REPORTING DISTRICT OF THE DISTRIBUTION  
OF FARMS ACCORDING TO SIZE OF 1940 TOTAL SOIL-DEPLETING,  
CORN AND WHEAT ALLOTMENTS

Farms listed opposite the zero allotment interval represent the number of farms listed on the 1940 listing sheets, NCR-409, for which zero total soil-depleting, corn, or wheat allotments have been established. The total number of wheat farms represent only those farms which conform to the 1940 definition of a wheat farm.

Prepared in the Economics and Research Section, North Central Division, A.A.A. - April 5, 1941.
